Global TV Leader

As one of the top TV brands worldwide—and the #1 brand in 100" TVs—Hisense is redefining big-screen

AI TV

Hisense makes entertainment effortless with Hi-View AI Engine — smart processors that adapt to you in real time. Using advanced neural networks, they fine-tune picture, sound, and energy settings automatically, so every show, movie, and game looks sharper, sounds richer, and runs more efficiently—without you lifting a finger.

Best-In-Class Technology

From cutting-edge Mini-LED and QLED displays to next-generation picture processing, Hisense TVs deliver premium viewing experiences at every size and price point.

Proven Reliability

Built with long-lasting quality and rigorously tested, Hisense TVs are trusted worldwide for durability and performance you can.
