

Cookie Policy

This Cookie Policy is also a part of the Legal Notice and Privacy Policy of the website www.titanos.tv (hereinafter, the "**Website**").

In order to enable the user to browse the Website, Titan Operating System, S.L. (hereinafter "**TitanOS**"), as owner of the Website, with registered office at Avinguda Diagonal, 571, 2^a planta, 08029 Barcelona, Spain and Tax Identification Number B10741833, informs you that it uses cookies or other data storage and retrieval devices with similar functionality (hereinafter "**Cookies**").

In this sense and with the aim of guaranteeing the user all the information necessary for correct navigation, we make available the following information on what Cookies are, what type of Cookies are used on our Website and how they can be customized.

1. What is a Cookie?

Cookies are files containing small amounts of information that are downloaded to the user's device when they visit a web page. Their main purpose is to recognise users each time they access the Website and also to improve the quality experience of browsing the Website.

Cookies are essential for the operation of the Internet; they cannot damage the user's computer/device and, if activated in the settings of your browser, help us to identify and resolve possible errors in the operation of the Website. Cookies serve many purposes, including allowing you to navigate between pages efficiently, remembering your preferences and generally improving your user experience. They also help ensure that the ads you see online are the ones most relevant to your interests.

2. Use of Cookies by TitanOS

Specifically, TitanOS uses its own cookies generated directly by this domain and third-party cookies generated from other websites that do not belong to TitanOS, but to third parties, for the specific purposes that are set out below. If TitanOS uses other cookies in the future with the purpose of providing more c

We use cookies to personalize content, run ads, and analyze traffic.

Okay

These are those that allow the user to navigate through the Website and use the different options or services that exist therein, such as, for example, controlling traffic and data communication, identifying the session, accessing restricted access areas, remembering the elements that make up an order, carrying out the purchase process of an order, managing payment, controlling fraud linked to the security of the service, make the application for registration or participation in an event, count visits for the purpose of billing licenses of the software with which the service works (website, platform or application), use security features while browsing, store content for broadcasting videos or sound, enable dynamic content (for example, animation of loading a text or image) or share content through social networks.

TitanOS does not need the user's consent to install cookies on the device that are necessary to activate the functionalities of the Website, and their use is based on the need to provide the requested services. If users disable or block all cookies in their browser, the navigation through the Website may not be optimal and some of the utilities available on the Website may not operate properly.

II ANALYTICS

These cookies collect information about how visitors use the website, for example, which pages they visit most frequently, whether they receive error messages from websites, which sections of the website they access or which buttons on the website they click. The information obtained by these cookies does not allow visitors to be identified. All information obtained is aggregated and therefore anonymous. The function of these cookies is to obtain statistics and reports that enable the operation of the website to be improved.

These cookies are only installed on the user's device when the user has accepted them.

to distinguish unique users by assigning a randomly generated number as a client identifier. It is included in each page request in a site and used to calculate visitor, session and campaign data for the sites analytics

Duration: 1 year 1 month

3. Retention periods

The cookies used by TitanOS will be stored in your device for the time necessary for the purpose for which they were installed, and for a maximum of 2 years, unless you decide to delete them through the configuration options of your browser (see section 4 of this policy).

The specific duration of each cookie is shown throughout this cookie policy.

4. International transfers

Some of the personal data obtained through third-party cookies will be subject to international transfers, in which case we guarantee that the necessary safeguards will be adopted to protect the confidentiality, integrity and availability of the data. For further information on the international transfers made by each third party, please access their privacy policies shown in this cookie policy.

5. How to accept, reject, block or delete cookies

You can accept or reject cookies at any time by accessing our CMP again:

Cookie Settings

You can block or delete Cookies from your browser's settings tools, or you can set your browser to alert you when a server wants to save a Cookie:

1. If you use Microsoft Internet Explorer, you will find the option in the menu Tools > Internet Options > Privacy > Settings. To find out more visit:
<http://windows.microsoft.com/es-es/windows-vista/block-or-allow-Cookies> and
<http://windows.microsoft.com/es-es/windows7/how-to-manage-Cookies-in-internet-explorer-9>
2. If you use Firefox, you will find the option in the menu Tools > Options > Privacy > Cookies. To find out more visit:

We use cookies to personalize content, run ads, and analyze traffic.
