Is this you?

At Titan OS, we live by three core values

Make things happen

We're looking for driven individuals who take ownership, set ambitious goals, and deliver results with urgency.

No ego

We value humility, collaboration, and making decisions for the greater good—working together as we re-think TV.

Show genuine passion

Passion and curiosity drive our success. We want people who love learning, growing, and inspiring those around them.

How we work

At Titan OS, we foster a friendly, diverse, and international work environment right in the heart of Barcelona. Our centrally located office makes collaboration easy, but we also embrace flexibility to support different working styles.

Working with us means being part of the cutting-edge CTV industry, shaping the future of how millions of viewers discover content. We value creativity, initiative, and teamwork, making sure every voice is heard as we innovate together!

Job openings

If you're excited about our positions, don't hesitate to apply.
