TitanOS reserves the right to fully or partially amend the terms and conditions stipulated herein, publishing any change thereto in the same way as this Legal Notice appears or through any kind of communication addressed to users.

3. Intellectual and industrial property rights

TitanOS owns or, where appropriate, has the relevant licenses regarding the intellectual and industrial property exploitation rights for the App, as well as the intellectual and industrial property rights regarding the information, material, and content of this property.

In no case will users' access to, navigation and use of the App be construed as implying a total or partial renunciation, transmission, licensing or transfer of these rights by TitanOS. Users have a right to use the App content and/or services within a strictly domestic setting.

References to trademarks or registered trade names, or other distinguishing marks, whether they are owned by TitanOS or third companies, implicitly entail the prohibition on their use without the consent of TitanOS or their legitimate owners. At no time, unless expressly stated otherwise, will access to, navigation or use of the App and/or its content, grant the user any right regarding the distinguishing marks included therein.

All intellectual and industrial property rights regarding the App content and/or services are reserved and, in particular, it is forbidden to amend, copy, reproduce, publicly communicate, transform or distribute, by any means and under any form, all or part of the content included on the App, for public or commercial purposes, if TitanOS or, where appropriate, the holder of the relevant rights, has not previously given their express permission in writing.

In the event a user sends information of any kind to TitanOS, via any of the channels set up for that purpose, the user declares, guarantees and accepts that they have the right to do so freely; that this information does not breach any intellectual or industrial property right, trade secret or any other third-party right; and that this information is not confidential in nature or damaging to third parties.

Users acknowledge assuming the liability, holding TitanOS harmless, for any communication they provide personally or in their name, with this liability extending to the accuracy, lawfulness, originality, and ownership of the communication, without any restriction.

We use cookies to personalize content, run ads, and analyze traffic.

If there are links to other web pages shown on the App via different buttons, links, banners or embedded content, TitanOS states that these are directly managed by third parties, and TitanOS does not have either human or technical means to have prior knowledge of and/or to monitor and/or approve all the information, content, products or services provided by other Apps to which links may be established from this App.

Consequently, TitanOS may not assume any kind of liability for any aspect regarding the web page to which a link could be established from the App, specifically, including without limitation, regarding its functioning, access, data, information, files, quality and reliability of its products and services, its own links and/or any of its content, in general.

In this sense, if users have actual knowledge that the activities carried out through these third-party web pages are illegal or contravene morality and/or public order, they must communicate this immediately to TitanOS for the purposes of disabling the access link to these pages, which will be done as quickly as possible.

In any case, the establishment of any kind of link from the App to another unrelated web page will not imply the existence of any kind of relationship, collaboration or dependence between TitanOS and the manager of the unrelated web page..

4.2 LINKS TO OTHER WEB PAGES

Through different tools and applications, TitanOS provides users with linking media that allow them to access channels and pages on different platforms and social networks. The installation of these applications on the App has the sole aim of providing users with access to these channels on the different platforms and social networks.

The establishment of these applications does not imply the existence of any relationship between TitanOS and the owner, manufacturer or distributor of the linked platform, nor the acceptance and approval by TitanOS of its content and/or services, as its owner, manufacturer or distributor is the only party responsible for the linked platform's content and/or services.

In no case does TitanOS share any kind of private information about its users with the owners of these external web pages, since its only aim is to provide access to these pages by the users. In this sense, any information that users themselves wish to provide to these external platforms and/or web pages will be under their own responsibility; TitanOS is not involved in this process.

We use cookies to personalize content, run ads, and analyze traffic.

When users are logged on these channels, users are not held liable for the content or for the services users may access on these pages or for any content, products, services,

advertising or any other material available therein. For this reason, users must exercise caution in the assessment and use of the information, content, and services on the linked channels, and regarding their own or third-party information, they wish to share on these channels.

4.3 LINKS ON OTHER WEB PAGES TO THE APP

TitanOS does not authorise the establishment of a link to this App from other web pages that may contain material, information or content that is illicit, illegal, degrading, obscene and, in general, that contravenes the law, morality or public order, or generally accepted social standards.

In all cases, users may establish links on their respective web pages provided that they ask for prior and express permission from TitanOS.

TitanOS does not have the power or human and technical means to monitor or approve all the information, content, products or services provided by other Apps that have established links to this App. TitanOS does not assume any kind of liability for any aspect regarding the web pages that establish a link to the App, specifically, including without limitation, regarding their functioning, access, data, information, files, quality and reliability of their products and services, their own links and/or any of their content, in general.

5. Conditions of using the App

Access to or use of the App for illegal or unauthorized purposes, with or without economic aims, is not permitted, and therefore the user will be exclusively liable for its consequences. More specifically, and without this list being absolute, the following are prohibited:

- using the App in any way that may cause damage, interruptions, inefficiencies or defects in its functionality or in the computer of a third party;
- using the App to transmit, install or publish any virus, malicious code or other harmful programs or files;
- using the App to collect personal data from other users;
- registering through the App with a false identity, impersonating third parties or using a profile or carrying out any other action that may confuse other users about the identity of the source of a message;
- accessing without permission any other section of the App, other systems or networks or the services offered through the App, and mining or any other illegitimate means;

- breaching, or attempting to breach, the security or authentication measures of the App or any network connected to the same, or the security or protection measures inherent to the content offered on the App;
- carrying out any action that causes a disproportionate or unnecessary saturation in the infrastructure of the App or in the systems or networks of TitanOS, as well as in the systems or networks connected to the App; or
- preventing the normal development of an event, competition, promotion or any other activity available through the App or any of its functionalities, either by altering or trying to alter, illegally or in any other way, the access to, participation in or functioning thereof, or falsifying the result thereof and/or using fraudulent methods of participation, by means of any procedure, and/or through any practice that in any way infringes or violates these Legal Notice.

The breach of any of the above obligations by the user may lead to TitanOS adopting the appropriate measures enshrined by the law and in the exercise of its rights or obligations and may extend to the deletion or blocking of the offending user's account, without any possibility of compensation for the damages caused.

6. Liabilities and guarantees

TitanOS cannot guarantee the reliability, usefulness or veracity of absolutely all the information and/or services on the App, or the usefulness or veracity of the documentation provided through the App.

Consequently, TitanOS does not guarantee or assume liability for the following: (i) the continuity of the App content; (ii) the absence of errors in this content; (iii) the absence of viruses and/or other harmful components on the App or in the server that provides it; (iv) the invulnerability of the App and/or the impossibility of breaching the security measures adopted on the same; (v) the lack of usefulness or performance of the App content; and (vi) the damages or harm caused, to themselves or a third party, by anyone who infringes the conditions, rules and instructions that TitanOS establishes on the App or through the breaching of the App's security systems.

Nonetheless, TitanOS declares it has adopted all the necessary measures, within its possibilities and the state of technology, to guarantee the functioning of the App and to minimize system errors, both from the technical viewpoint as well as regarding the content published on the App.

licit, illegal, contrary to the law or that or industrial property rights, the

applicable legislation on personal data protection and/or any other right, they must notify this immediately to TitanOS so it may adopt the appropriate measures.

TitanOS does not guarantee the lawfulness, reliability, and usefulness of the content provided by third parties via the App.

TitanOS will assume no liability for the truthfulness, integrity or updating of the information published on the App from sources unrelated to it (external news, reports from external professionals, etc.), or the information contained on other web portals through links from the App.

TitanOS will not assume liability for hypothetical damages that could arise from the use of the aforementioned information.

In any case, TitanOS reserves the right to temporarily or permanently suspend, modify, restrict or interrupt the access to, navigation, hosting and/or downloading of content and/or use of services from the App, with or without prior notification, for any users who breach any of the provisions set out in these Legal Notice, without the user having any possibility of demanding compensation for this reason.

7. Privacy policy and cookies

Pursuant to the legislation that is currently in force and applicable concerning personal data protection, all personal data provided during the use of the App will be processed in accordance with the provisions of the Privacy Policy that every user must expressly accept to be able to use and register for the App.

All users who accept these Legal Notice, accept our Privacy Notice in an informed, express and unambiguous way, and may exercise the relevant rights on this matter as stated in the aforementioned Privacy Policy.

8. Applicable law and competent jurisdiction

This Legal Notice is governed by Spanish law. As regards dispute resolution, the parties expressly submit to the courts of Madrid, waiving any other jurisdiction.

To submit complaints regarding the use of our services, customers may write to the e-mail or postal address stated in the section 'Identification'. We are committed to seeking an amicable solution for the conflict at all times.
