Philips' unique innovation

What is Ambilight TV?

To the inexperienced, Ambilight TV might seem like a TV with lights at the back. Those who try it know better: Ambilight TV's responsive glow turns rooms into jungles & sofas into spaceships. Try it once & change TV for ever.

Smart TV

Simply Smart

Find content across streaming services fast. Pair smart devices across your home. And control everything with a voice command.

What is Ambilight TV good for?

Movies feel bigger

"Is there a jungle in my living room, or is it just a living room and a TV? Don't be alarmed, you find your answers asking these and other unlikely questions once your Ambilight TV's set up.

Sports get closer

Ok, you might not actually be able to

Gaming gets real

Whether you're racing round a neon track, battling vampires, or off on a heroic quest to save humanity, your Ambilight TV makes it more intense & realistic.
